A Compilation of Government Benefit Schemes across 6 states in India for Seniors

I. AISCCON being National Apex Body involved in Welfare of Senior Citizens across the country, one agenda we have taken up is increasing the level of awareness of various governmental schemes so that we can compare across the states and request our local state governments to enhance their offering towards senior citizens. This document can also be of great help in ensuring that our members can actually get benefits from these schemes by enhancing awareness. We thank Shri Annasaheb Tekale ji, Maharashtra, Shri Haneefa Rawther ji, Kerala, Shri Er Karnail Singh, Punjab, Shri Meenakhsi Sudaram, TamilNadu, Shri Mallappa Mudakavi, Karnataka and Shri Dhyaneswar Meher ji, Odisha for their support in this compilation. Special thanks for Shri Tekale ji for suggesting this initiative. We plan to increase this further over the next few weeks and continue to circulate back to all of you. The updated copy of this compilation will also be made available on our website www.aisccon.org. We look forward to your suggestions about how this can be utilized further.

II. Benefits offered in the State of Maharashtra for Senior Citizens: Compiled by Shri Annasaheb Tekale: Vice President, AISCCON and Vice President, FESCOM.

On behalf of Maharashtra Senior Citizen Federation FESCOM, the senior citizens were repeatedly following up with the government to solve the problems of the senior citizens. In May 2023, the Hon'ble Chief Minister, Shri Eknath Shindeji took notice of these issues and held a meeting with seniors. His government accepted all the demands made by seniors in the meeting.

- 1) Travel concessions On the occasion of Amrit Mahotsav, currently in Maharashtra, all senior citizens above 75 years of age have been allowed free travel in all classes of buses of State Road Transport Corporation and all senior citizens between 65 to 75 years have been given 50% concession on travel. 50% concession on travel is also being provided for all women upto 65 years of age.
- 2) Health facilities All the senior citizens of Maharashtra are provided with various health facilities. Earlier, Health Insurance limit was up to Rs. one and a half lakhs and now it will be increased to five lakhs. In case of critical illness, seniors will be admitted to the special super specialty hospital.
- 3) Free Health Check Up This will be done twice a year for every senior citizen in view of the increasing longevity. This will ensure prevention as it would be easy to detect a disease or disorder very early.
- 4) Senior Allowance The government of Maharashtra has agreed to give an allowance of Rs 3000 per annum from this year to all the senior citizens who have completed the age of 65 and who do not receive any kind of pension nor pay income tax.
- 5) The Sanjay Gandhi Niraadhar Yojana for senior citizens below the poverty line has been increased to Rs 1,500 per month.
- 6) Control coordination committees with senior citizens have been established at the district level under the chairmanship of the collector in each district and two representatives of senior citizens are taken on that committee. This helps in raising various issues faced by seniors while Government policies are being implemented by bureaucracy. This forum is also useful to provide further suggestions, if any.
- 7) Separate cell in every police station in every District. This is for speedy resolution of complaints of senior citizens. This is under implementation. Two local representatives of senior citizens are being appointed at the senior citizens cell.
- 8) Strict enforcement of Parental Maintenance Act 2007 and Act 2010. Government has accepted the request and all District Collectors have been warned and strict instructions have been given for appropriate implementation under this act.

- 9) Protest centers for senior citizens we demanded that the government should establish a protest center at the level of each municipality and village panchayat etc. The government has decided in the budget session that the establishment of a protest center in every local body has been made compulsory.
- 10) Control Committee for health In order to ensure that the health facilities meant for the senior citizens are provided on time, the government has appointed control committees at the state district and taluka level. Two representatives of senior citizen are being taken on this committees.
- 11) Distribution of support aids for seniors Apart from this, items such as cane support, walker, wheelchair, hearing aid, eye glasses etc. are also distributed to the needy and below poverty line senior citizens free of cost.

अमराई चौपाल ने वरिष्ठ नागरिकों की 1021 समस्याएं सुलझाई

समाज में वरिष्ठ नागरिकों के साथ वर्तमान में जिस तरह दुर्व्यवहार किया जा रहा है उससे उनकी स्थिति दयनीय है। इस सम्बंध में आवश्यक परामर्श एवं मदद के लिए शहर में पुलिस व प्रशासन के सहयोग से दो परामर्श केंद्र सामाजिक संस्था 'अमराई चौपाल', वरिष्ठ नागरिक परामर्श एवं कल्याण संघ द्वारा संचालित किए जा रहे हैं।
